

Resources for Staff Recruitment and Retention Presentation SDAN, June 6

GTM Payroll Services Household Blog

<https://gtm.com/household/blog/>

This national company provides payroll services for families who privately employ nannies and senior caregivers. Although there are *many important* differences between the populations GTM serves and the DD community, the GTM blog nevertheless provides valuable information for assisting participants in recruiting and retaining staff members.

Participants and advocates may be interested in the following short articles on this site:
